Dear Mr. Weber:

The RCRA inspection performed for the month of May, 1983, was
Getty Refining & Marketing Company in Delaware City, Delaware.

Getty Oil is a major facility. The facility's identification
number is DED002329738. During the inspection one violation was
recorded in the drum storage area; drums containing hazardous waste
were not kept closed during storage. A letter of warning will be
issued for this violation. Inspection date, May 31, 1983.

If you should have any questions regarding this inspection
report, please do not hesitate to contact me at (302) 736-4781.

Very truly yours,

George J. Bender
Resource Control Specialist
